

**Lisa H. Macklin, Principal**  
**Comprehensive Facilities Planning, Inc.**

**Years Experience:** 25

**Years with CFP:** 6

**Education:**

The Ohio State University, 1981  
BS Industrial Design  
Columbus College of Art & Design, 1977  
BA Fine Arts

**Professional Background:**

With over twenty years of Higher Education experience as a facilities planner that includes eleven years at The Ohio State University, five years with NBBJ, and six years with CFP; Lisa has been involved with a broad spectrum of innovative projects and planning studies. These include numerous building programs, feasibility/planning studies, space utilization assessments, capital planning, master planning, and space management procedures for numerous public and private institutions around the country.

Her specific responsibilities include architectural programming, facility planning, space needs and analysis, classroom utilization, inventory verification, and capital planning. These responsibilities have provided her direct exposure to the space issues and trends facing educational environments from which she is able to bring creative insights to each new project.

Volunteer work includes several key positions for the Society for College and University Planning as a board member, regional representative, conference program chair, professional development committee, and council member.

**Selected Project Experience**

Armstrong Atlantic State University – Master Plan Update  
Barton College – Master Plan/Space Assessment  
Capital University - Space Assessment Study  
Capital University - Law School - Space Assessment  
Carroll University - Master Plan/Space Assessment  
Centenary College - Space Assessment Study  
Cleveland State University - Classroom Study  
Concordia University – Space Assessment Study  
COTC-OSU Newark Campus - Space Assessment Study  
Culver Stockton College – Space Assessment Study  
Drake University - Classroom/Lab Utilization and Needs  
Earlham College Master Plan/Space Utilization Assessment  
East Tennessee State University – Academic Space Master Plan  
Guilford College - Master Plan/Space Assessment  
Georgia State University Master Plan/Space Assessment  
Indiana Wesleyan University - Space Assessment  
Lakeland College – Master Plan/Space Assessment  
Manchester College –Space Utilization Study  
Oakland University – Space Utilization Assessment  
Ohio Dominican University – Space Assessment  
Ohio University Master Plan/SUMS Study  
Pepperdine University – Space Utilization Study  
Point Park University – Space Assessment Study  
Siena Heights University - Space Needs Analysis  
Shippensburg University – Space Utilization/Needs Study  
SUNY-Alfred State College of Technology – Master Plan/Space Assessment  
The Ohio State University - Science Engineering Library Feasibility Study  
University of Dayton - Space Utilization Study  
University of Louisiana System - Space Model & Assessment  
University of Massachusetts - Space Utilization Study  
University of Toledo – Classroom Building Programming  
Valparaiso University – School of Law Space Assessment  
Wake Forest University – Space Utilization Study  
Walsh University – Classroom/Class Lab Space Needs  
Yale University - Inventory Update  
Bowling Green State University - Master Plan \*  
Colorado School of Mines - Master Plan/Space Study\*  
Bowling Green State University - Sciences Space Study \*  
Columbus State Community College Space Utilization Analysis\*  
University of Georgia - Horticulture Space Study \*  
Kenyon College Recreation, Fitness & Athletics Facilities Study and Library Space Use Study\*  
Mount Union College – Campus Space Study \*  
Roosevelt University – Space/Program Analysis  
University of Toledo – Memorial Field House Renovation  
University of Wisconsin-Oshkosh – New Academic Bldg  
Valparaiso University - New Academic Building Program  
Wayne State University - Engineering Research Facility Program  
University of Memphis – Community Health Facility Program

Western Kentucky University - Capital Planning Study  
Miami University - Psychology & Animal Sciences Building Program  
The Ohio State University - B & Z Building Renovation Program \*  
The Ohio State University - New Psychology Building Program \*  
The Ohio State University - Wetlands Research & Educ Ctr Program \*  
Ohio University - Smart Classroom and Lecture Hall Program \*  
Penn State University - Business & Education Center Program\*  
University of South Florida - Health Care & Education Ctr Program \*  
The Ohio State University - Knowlton School of Architecture Program  
The Ohio State University – Max M Fisher College of Business Program  
\* Work performed while with NBBJ
