

James M. Palavin, Principal
Comprehensive Facilities Planning, Inc.

Years Experience 32

Years with CFP 15

Education

The Ohio State University, 1979
B.S. Business Administration,

Professional Background

Jim serves as CFP's vice president for software design and classroom consultant. Prior to CFP, Mr. Palavin was senior associate registrar at The Ohio State University where he directed classroom scheduling, and course information management. Mr. Palavin served as chair of the classroom committee for the last ten years of his tenure at OSU.

Previous to this position he was assistant registrar for scheduling and senior systems analyst. Mr. Palavin implemented classroom scheduling systems and developed computer assisted decision support systems for analyzing demand on classrooms. He was also responsible for designing and implementing a variety of course and student information systems. During the last three years at OSU, Jim served as student records lead to implement PeopleSoft. As lead he became familiar with all components of the PeopleSoft student product. During his career he also served as senior academic planner for resource planning and institutional analysis at The Ohio State University, Mr. Palavin has been involved in academic space assignments and the biennial capital plans.
